Alexandria, VA 22313-1450

Sir:

The patentees through their attorney hereby respectfully request that a Certificate of Correction be issued in the above-referenced patent to correct a printing error in accordance with the attached Certificate of Correction Form PTO/SB/44 submitted in duplicate herewith.

Patentees requested a corrected filing receipt of June 4, 2003, and made a status inquiry on such request on March 22, 2004. Patentees did not receive a response from the USPTO, nor did the USPTO correct the error when printing the issued patent.

The issued patent indicates a filing date of March 20, 2000. The correct filing date is March 21, 2000. Pursuant to 35 U.S.C. 254, Patentees now request that a Certificate of Correction be issued to correct the date on the issued patent.

The printing error was made by the Patent and Trademark Office and is not an error of the patentees. A Certificate of Correction should be issued without expense to the patentees.

Respectfully submitted,
